WORK EXPERIENCE

Campus Representative

REVA University,DEVFEST Bangalore

09/2019

I got an opportunity to work as a campus representative for one of the most famous developer fest called DEVFEST in REVA University ,Bangalore.I made new connections and also got a few ideas that I would love to implement in the coming future.

Technical Head

SRM EFL Dept.

07/2019 – Present

It was an awesome experience working with English & foreign language team,the tasks and responsibilities given to me by the department gave me a lot of exposure of interacting with students and officials, It prepared me to handle pressure and give my best at hard times

Technical Team Lead

CHiPSET Club

I got a chance to learn more about Ethical Hacking,Graphic Designing from seniors and also got an opportunity to help juniors of campus in the app development domain

Intern

JPMorgan Chase & Co.

06/2020

My role included: Creating an interface with a stock price data feed and setting up the system for analysis of the data. Using JPMorgan Chase frameworks and tools to implement the Perspective open source code in preparation for data visualization. Displaying data visually for traders using Perspective to create the chart for the trader's dashboard
